

Beautiful Easter Bonnets in Yew Class

I like my bonnet because it is colourful and pretty with lots of chicks.

I love my Easter bonnet because I love the veil and on the veil there are butterflies.

I like my Easter bonnet because my nanny and I made it. I think it is pretty.

My Easter bonnet is great because of the robin, the colourful grass, chick, eggs and nest.

I like my bonnet because I did it myself and it was hard to think about the layout.
